My summer in Auckland has been so amazing that I can't wait to get back there! New Zealand is such a wonderful place that I really hope to be able to move there permanently! And I will never forget the great three months I've spent in Crown English, where I had the precious chance to meet people from all over the world, everyone willing to share the same unforgettable experience.

I strongly recommend Crown not only because of the friend that surely everyone will meet, but also because of the staff, especially the caring and kind counsellors and the fantastic teachers, which are always ready to help you, and do their job with passion and dedication. Every teacher is different and special, but they're all great, highly competent and patient. They do their best every day, and I'll always be grateful for meeting them!
