Winners at National Culinary Fare!

Crown's Food & Beverage students outdid themselves at this years Auckland Regional Culinary Fare held in June and National Culinary Fare held in July.

A total of 14 silver/bronze medals were won by our students, 3 silver and 7 bronze medals in the Classic Cocktail category and 2 silver and 2 bronze medals in the mocktail category at the Regional Culinary Fare.

At the National Culinary Fare Crown students won a total of 12 medals, 10 bronze, 1 silver in the Cocktails category and 1 bronze in the Innovative Cocktails category. We are very proud of our student's efforts! They worked very hard to prepare for these competitions and their efforts paid off.

Job Club

Crown Institute has introduced a new initiative to help our upcoming graduates find and secure a job. Crown's Campus Manager and Careers Advisor Natalie Tolholpf created Job Club; to better prepare graduates with finding a job. Not any job but a job in their chosen industry.

Students complete a 4-week course, learning things from how to create an eye-catching CV to how to answer interview questions effectively. Natalie goes through all the need to know about how students can secure the job they want.

Week one started with "the whole package" with an emphasis on knowing where you want to go and how to get there. Natalie claims "you would not captain a ship without knowing where your destination is, you would never leave the harbour!" This is the similar approach to your career. Start with the end in mind.

EDUCATION & NEW STRATEGIES

Crown's Giving Back!

Crown Institute of Studies is now a proud community partner of Netball North Harbour. We at Crown believe it is important to support our youth in sport and give them the opportunity to develop their skills further.

We are all keen supporters of netball and hoping to create our own indoor netball team

Term 2 Class Photo Competition

Term 2 is drawing to a close soon so class photos were once again upon us!

This terms class photo competition theme was 'World Cup' a very current topic in New Zealand! To celebrate the upcoming tournament our classes dressed up to support their favourite team.

Our Food & Beverage class took out the top prize of a free lunch shout of pizzas. Runners up were Travel & Tourism 2A! Sweet delights are on their way! Thanks to all the classes who participated and got into the spirit! It was a really hard choosing the top class.

Congratulations to all our winners, maybe your class will take out the next terms competition!
