

*Hey guys,*

*I'm Paula Low from Ruatorea, East Coast. I am currently studying the Certificate in International Food and Beverage. My ultimate goal is to own and manage my own fully licensed restaurant, hoping to have a Maori food based inspired menu.*

*Interests and hobbies, I like cooking and baking, enjoy all sports but especially netball, touch, flag-touch and basketball. I like to socialise, hang out with my mates and making new friends.*

*I Love the outdoors, anything from camping, eeling, fishing, swimming to horse riding, so definitely cant wait until summer arrives :)*
