Spring 2011 Newsletter

Welcome to Term 3!

Welcome to all our students and congratulations to our last terms graduates! Term 3 is shaping up to be an exciting one.

Our student representatives are underway with plans for this terms events and activities such as the Breast Cancer bake sale, Halloween events and much more.

The Rugby World Cup is happening and many of our students are working at this grand event in September and October. We wish them all the best!

It's so great to see so many secondary school leavers preparing for their studies in 2012 already. The recruitment team is busy interviewing and processing enrolment for students.

Many of you will be finishing this term and some will be staying on. The student services team at Crown want to wish all of our students all the best for this term and we are here to support you 100% of the way.

Kind Regards, Natalie Tolhopf (Campus Manager)

Crown Travel Desk

Our Crown Institute Travel Desk is now up and running. Leilani Steffany, a graduate from the Crown Certificate in International Travel, Tourism and Airline Studies programme, is managing the desk on a 3 month internship with Crown.

The travel desk offers our students fantastic getaway packages as well as many different activities around New Zealand at discounted prices. Leilani is situated up on level 9 in the student lounge.

There are many different tours available. If you are interesting in booking a getaway for you and your friends, go up and have a chat to Leilani who will be able to tell you more.

Winterfest SPCA Canterbury fundraiser

Hot chocolates and doughnuts were flying out the door at last terms fundraiser for SPCA Canterbury. Students were treated to these goodies for a gold coin donation.

We raised \$201.00 for the charity and a couple of the tutors bought in their furry friends to support the cause. Thanks to Kiko and Simba for being such good sports! We're sure they loved all the attention they received on the day

Student reps are on to planning this term's fundraiser. We are going to be holding a bake sale to support Breast Cancer Action Month in October.

New partnership between Crown and Massey University

We are delighted to announce that we have recently renewed our pathway agreement with Massey University. Our partnership with Massey University offers students a fast and supportive pathway to Year 1 or Year 2 of their degree.

Students can earn their Bachelor of Business Studies (BBS) in Accounting, Marketing, Communications, Management and several other majors in as little as 3½ years with Crown Unilink.

This offers guaranteed entry to the BBS degree to students who pass their Crown NZ Diploma papers with the required grades. Students can choose from Unilink Gateway, Standard Track and Fast Track and gain up to one full year of university credits for their Crown studies
