

***Hey Guys,
My name is Danielle and I'm in the hotel class here at Crown Institute of
Studies. I'm quite a shy person at first but then when you get to know me I'm
friendly and outgoing.***

***I'm 18 years old and I love leopard print! I also love dancing, shopping, the
beach and being with friends. What I like about being a student rep is
helping organising events and being a voice for the students.***

Hope to see you guys round.
