

Hello, my name is Mahana Wohler and I am 22 years old. I'm from TAHITI and have been in New Zealand 3 years now. When I arrived in NZ 3 years ago I studied English at Crown for 2 years. This year I have started the New Zealand Diploma Of Business.

I really enjoy studying at Crown and in New Zealand, I haven't yet had the time to visit all of New Zealand but I will. In my spare time I enjoy Tahitian dancing, listening to music and surfing on the net.

In the future I would like to be a businesswomen, or manage my father's society, which is a Pearl Farm. I may work in NZ because I can see there is more opportunities to find a job related to my skills.
