Industry Day

Crown Institutes Industry Day on the 17th of November was a great success. Hospitality, Travel and Tourism students enjoyed a day of networking with many different companies.

A variety of companies participated in the event, ranging from Air New Zealand and Showcase Hospitality to adventure tourism companies such as OGO Rotorua and Agroventures!

The Industry Day is an excellent forum for students to learn more about the many different companies in the industry and the types of career paths they can take, as well as helping students make contacts for the future.

Crown Institute students really appreciated the opportunity. Darryl Cook a student studying the Crown Certificate in International Travel, Tourism and Airline Studies course really appreciated the opportunity "The Industry Open Day really reaffirmed that I'm heading in the right career path", he said.

Halloween Party

The ghosts and goblins were out to play on Friday 28th of October! Crown's annual Halloween party was a hit this year!

Everyone got into the spirit dressing up in their best (or worst) gears. Devils, Scream masks and Zombie brides were out on the prowl and looking to have a good time! Alyssa Raynes took out the best dressed award, taking away a \$50 Westfield voucher. Her Zombie Bride outfit was awesome!

This year's party was held at the well known club Forte, tickets were sold out and it was a fun filled night with fantastic food, drinks and music. Students danced the night away!

Rugby World Cup

The 2011 Rugby World Cup was a major highlight of this year. Some of Crown's students were very lucky to be able to work at this major event and gain some excellent work experience.

Crown works very closely with Function Staff. Function Staff was chosen to work with rugby event organisers to ensure a true New Zealand hospitality customer service experience throughout the tournament.

To ensure Function Staff exceeded all upcoming customer expectations at every event they teamed up with Crown Institute of Studies to further enhance delivery of service and customer comfort.

Students worked at the rugby tournament from the pool games to the finals. From liquor managers to waiters, they were given a once in a lifetime opportunity to work at an international event and from this our students gained fantastic work experience and skills to add to their CVs.
